Here's a secret: it's easy to solve sudoku puzzles –  
just use your brain and some logic!

**There are more than 200 stickers  
included in this book!**

Use the stickers from each set to complete each puzzle.  
Each sticker goes in a blank square in the puzzle.  
There are also some extras to stick anywhere you like!

# Here's the only rule:

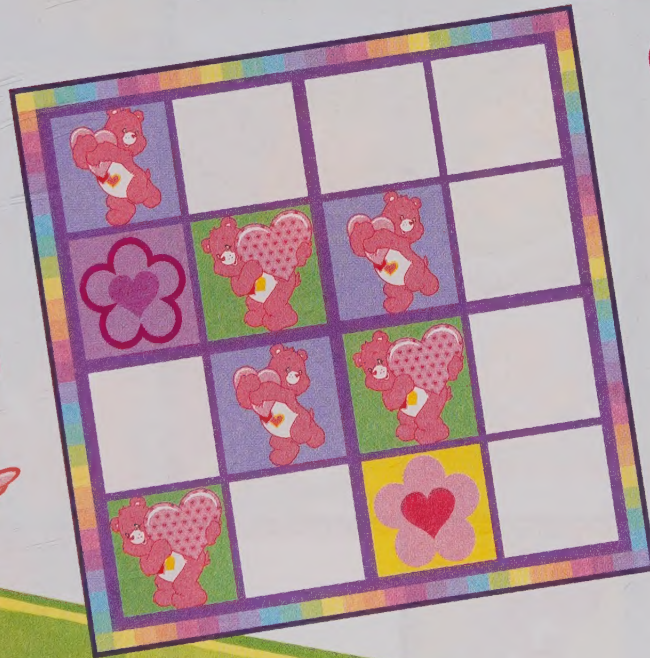

Each picture can appear only once in each row, column, and box!

This is  
a box.

This is  
a square.

This is  
a row.

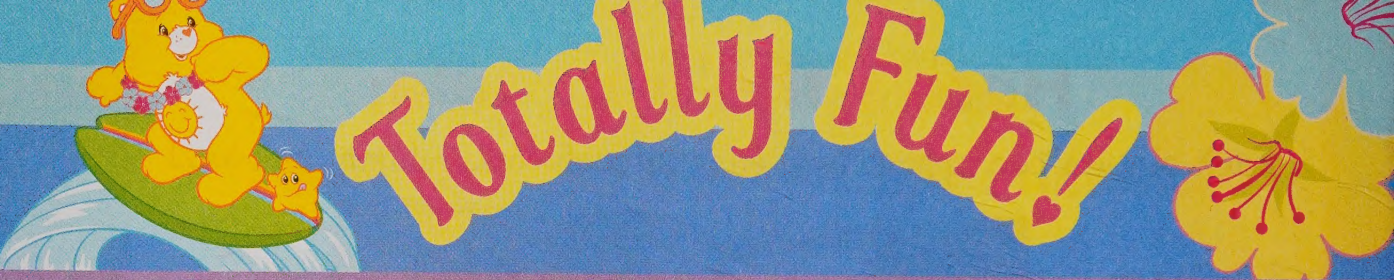

This is  
a column.
